

## Palmetto Bluff

### *Three-Sided Boat Storage Sheds*

**Palmetto Bluff  
Bluffton, SC**

**Jerry Twigg  
(843) 540-6665**

### **Characteristics:**

- Project completed in the fall of 2006.
- Three (3) Three-Sided Sheds with endwalls completely sheeted.
- One shed consists of one row of rack to store 36 boats with double wide bays three levels high.
- One shed holds up to 40 boats with double wide bays four levels high.
- The third shed consists of double wide bays to store 12 boats and a tunnel bay for forklift access.
- All rack steel is galvanized for superior corrosion resistance.
- Palmetto Bluff is a truly upscale resort destination.
